

THE GREATER NEW HOPE CHAMBER OF COMMERCE
New Hope Decorations Sponsorship Fund....

In 2007, the Chamber had to purchase new lights for the Christmas Tree. Through several contributions from businesses and the community, we were able to fund most of the cost and we appreciate the generosity of those who assisted us.

We are now starting a separate “**Decorate New Hope Fund**”, which will be used to purchase decorations, including seasonal & event banners and holiday lights. Membership fees alone are not enough to fund these additional expenses.

The Chamber will also host various fund-raising events periodically to raise additional amounts for these items. We intend to permanently recognize sponsors by having a plaque installed at one of the town’s parks or at the Visitor’s Center to list all those who contribute to this fund.

Our goal is to raise **\$25,000.00** and begin purchasing the decorations as soon as we can. We are asking for help from individuals and businesses alike. If you know of anyone that may want to take part in contributing to the Fund, please feel free to share this information.

SPONSORSHIP LEVELS (*Help Decorate New Hope!*): All levels will receive a certificate of sponsorship; name and level will be posted in local Bucks County newspapers and on the Chamber’s web site. Your name & sponsorship level will also be placed on the plaque to be located in town.....
